Following US 33 and the historic Lincoln Highway, the MapleHeart is a direct route between Elkhart and Goshen, connecting two cities with lots of food and entertainment options. The trail also parallels one of the busiest railroads in the region, making it a great route for train watching.

Ox Bow County Park is a nice halfway stop for a more natural landscape. Pack a picnic lunch to enjoy in the prairie or take something to play catch for a quick game. Look for the pedestrian and cyclist entrance to the southeast of the main gate; non-motorized visitors enter for free.

Goshen to Ox Bow is the recommended section for casual bikers and walkers who prefer to stay off-road. Leaving and entering Elkhart requires a bit more confidence as the trail merges with local traffic.
Everyone has a different reason for getting on the trail or taking off on a county road. Knowing what you most enjoy about biking and walking will help you choose the right route.

Each route in the 2017 Biking and Walking in Elkhart County Guide recommends the type of biker or walker that may want to try it out. For example, if you know that you want to take it easy and stop to watch ducks along the river, look for the “Casual” recommendations.

Gear Up
You can walk and bike in any weather if you have the right gear!

Walking in the rain can be a very relaxing activity, but only if you are dressed right. Wear a venting jacket with hood, waterproof boots, and two pairs of socks. Carry a water-proof bag for items that should not get wet.

Bicyclists should invest in a good riding poncho that attaches over the handlebars to keep your legs dry. Fenders with mud flaps and water-proof shoe covers are well worth the money, too.

The key to walking and biking in cold weather is wearing several layers so you can remove some as your body warms up. Overheating is a real concern, so remember to wear breathable materials. Wide bike tires with tread are a necessity to bike in snow.

Does your bike need a tune-up? Do you need new gear or want to rent a bike for the day? These locally-owned businesses can help you.
